

ABOUT US

About Us

APR was first constituted in 1835 as a Customs Broker and later on it started providing worldwide forwarding and logistic services.

Our long experience offers reliability, effective work and quality, which are guaranteed by the ISO 9001:2000, to our customers.

By using up to date technologies, APR is able to supply the APR_OnLine Service to our customers, where the state of their operations can be checked at any time.
